MEMORANDUM FOR: **THE DIRECTOR**

Attached is a proposed letter for your signature to Senator Humphrey thanking him for his letter to you enclosing a Study entitled "Economic Impact of Arms Control Agreements." Note that it is classified **CONFIDENTIAL** and only 150 copies were printed. In the preface there is an exchange of correspondence in which Secretary McNamara advised that publication would not endanger national security. However, Senator Aiken advised Humphrey by letter printed in the preface saying he thought this should not be handed on a platter to the Soviets since it was a detailed study relating to the resources of the country devoted to the defense effort.
